### TASTING NOTE

White stone fruit, hints of citrus, jasmine and a touch of minerality with a focused acid and long finish, while the French oak imparts subtle vanilla and spice notes

### VINEYARD

Low yield, bush-vine Grenache Blanc on well- drained sandy soil.

### SERVE & AGING

Best served at 10 to 12°C, this will develop in complexity over the next 2 years

### WINE-MAKING

Minimal intervention wine-making is key to showcase the expressive character from this vineyard. Hand-harvested and whole bunch pressed, the Granache Blanc is thereafter wild fermented in older 300 l French oak barrels. Barrel aging on the fine lees for 8 months adds texture and mid pallet weight.
